AIS-ISA ITALY AUTOMATION INSTRUMENTATION SUMMIT 2018 Castello di Belgioioso, Pavia - Italy | 4-5 luglio 2018

Technologies + Competence + Experience + Creativity = Better Future!

Milan, 21 June 2018: There are only a few days left before the inauguration of **AUTOMATION INSTRUMENTATION SUMMIT**, which will take place for the second year at the Castello di Belgioioso (PV) from 4 to 5 July 2018 and will be presented as a unique platform of know-how and innovation for automation, EPCs, instrumentation manufacturers, valves.

The exhibition areas are full thanks to the presence of **71 companies**. The event can also count on the precious collaboration of 20 subjects among **Media, Associations and Universities**, who will be for the most part present at the Castle in the Media Corner.

The definitive **Conference Programme** promoted by the associations AIS and ISA ITALY is now online. It promises interesting contributions from the academic and industrial world and will explore topics of great relevance concerning the evolution of technologies in automation and instrumentation.
