

# IDEAS<sup>4</sup> AUTOMATION AWARDS

THIRD EDITION

June 19 & 20, 2019

Castello di Belgioioso | Pavia - Italy

Deadline for submission **May 15, 2019**

I4A award invites students of different levels (high school, University and Phd) to be proactive in the field of automation.

I4A Award ask you to think what is the automation for you and what is needed for your idea of automation in the next future.

Your idea is not restricted to specific topic, but we suggest the themes of the AIS summit:

#### THEME 1

Advances in control systems

#### THEME 2

The Industrial Internet of Things, 4.0, cybersecurity

#### THEME 3

Instrumentation & analyser technology evolution

#### THEME 4

Telecommunication system

The I4A award requires an Idea and some work, but give you significant prizes and the possibility to discover the compelling automation and instrumentation world.

1

#### FIRST PLACE

3000€ + subscription to the AIS-ISA events 2019

2

#### SECOND PLACE

2000€ + subscription to the AIS-ISA events 2019

3

#### THIRD PLACE

1000€ + subscription to the AIS-ISA events 2019

AIS-ISA-Italy supports high schools that help students to present their ideas.
